School Immunization Update for the 2010-2011 School Year

The New Jersey Department of Health and Senior Services/Vaccine Preventable Disease Program would like to provide the immunization references to equip all immunization providers and health care professionals with the tools necessary to improve immunization rates and better enforce immunization requirements within New Jersey Schools.

New Jersey Department of Health & Senior Services Reference Documents

[Questions and Answers on Immunization Regulations Pertaining to Children Attending School/
Higher Education
2010 – 2011 School Year](#)
(Updated September 1, 2010)

[Guide to Vaccine Contraindications and Precautions](#)

[Age Appropriate Vaccinations for Licensed Child Care Centers/Pre-Schools](#)

[Minimum Immunization Requirements for School Attendance in New Jersey](#)
