

BURLINGTON COUNTY SHERIFF'S DEPARTMENT EQUESTRIAN MENTORING PROGRAM

This is a unique program that helps at-risk teens to engage in a positive lifestyle by helping to improve communication and build character.

The Burlington County Sheriff's Department works together with facilitators at the Gleneayre Equestrian Farm to help troubled teens. The program includes a Saturday orientation class, and a 10-week program at the farm on Thursday evenings from 6:00PM to 8:00 PM. Teens may be referred to this program by parents, teachers, chaplains, educators, youth service programs and local police departments. Ten teens are referred to each session and they will be required to participate in classroom discussions, as well as activities involving horses (please note that this is not a riding program).
