

Become a New Start Career Network Member

New Start Career Network (NSCN)
**provides free assistance to New Jersey
residents over age 45 who have been
out of work for at least 6 months.**

Membership includes

- ▶ Information and advice about the labor market and job search strategies, including over 100 webinars on all aspects of the job search.
- ▶ Free access to premium job search services to help with your résumé and cover letter; researching employers and industries; searching for jobs; and preparing for job interviews.
- ▶ One-on-one and group virtual coaching provided by trained volunteer coaches.
- ▶ Résumé & LinkedIn profile reviews and practice interviewing with coaches.
- ▶ Referrals to a broad range of services through NSCN's partners, including education, training, mental health support, and financial advising.

To become a member, please visit newstartcareernetwork.org.

For more information, please email nscn@rutgers.edu
or call (848) 932-1756.

Major funding for NSCN is provided by the Philip and Tammy Murphy Family Foundation. Additional support comes from New Jersey Resources, the Fund for New Jersey, Amazon, and the Corporation for National and Community Service/New Jersey Volunteer Generation Fund.

What our members say

- ▶ My coach was knowledgeable and brimming with ideas and helpful strategies on interviewing skills, redid my résumé, and checked in often to keep me motivated. I am very satisfied!
- ▶ I think it's a great starting point to reinvigorate a job search. I am now 55 years old and have not been able to find comparable work since I was laid off a year ago. NSCN gives a framework to deal with searching for employment at this stage of life.
- ▶ For older workers, there is a strong sense of isolation. NSCN helps us with camaraderie and like-aged job seekers' perspectives.
