

ATTENTION – CONTRACTORS, BUILDERS & HAULERS
New, Low Recycling Rate for Drywall

ONLY
\$ 48
PER TON

- Clean loads of unpainted drywall can be delivered to the Resource Recovery Complex for a reduced rate of \$48/ton* (*price subject to change).
- No colored dry wall (blueboard, greenboard, etc.)
- No loads with painted drywall or drywall from demolition sites will be accepted – that material must be landfilled.

Did you know approximately 12 percent of new construction drywall is wasted during installation?
THAT IS ABOUT 1 TON OF DRYWALL PER NEW HOME
