

TERRORISM AWARENESS PROGRAM - TAP

The Burlington County Anti-Terrorism Task Force is offering a train-the-trainer program in which first responders will be taught to educate their citizens on how to identify potential signs of terrorist activity, as well as how to respond during an active shooter situation. We will be offering two sessions for participants to attend. The class is free and participants will receive training materials to use in their towns. Registration is required for the session you wish to attend.

To Register:

Call 609-265-3788 or email jnapier@co.burlington.nj.us
