What is the First-time Home Buyers Program?

Burlington County receives an allocation of HOME Investment Partnerships Program funds each year from the Federal government to provide assistance to low and moderate income residents through a variety of local housing-related projects. The Board of Chosen Freeholders has designated a portion of these funds to be made available through the First Time Home buyer Program, which is administered by the Housing and Community Development Office.

The First Time Home Buyer Program provides direct financial assistance to low income Burlington County residents to help with the purchase of a first home. Eligible applications may receive a loan for up to $4,000 in closing cost assistance and an additional $5,000 toward their down payment.

# How do I apply for the loan?

Prospective first time home buyers must locate a home to purchase within one of the participating municipalities, and apply for a mortgage through one of the program’s participating lenders. They must also complete an approved home buyer education course. The participating lender will process the mortgage application and decide whether the application will require closing cost assistance available through the First Time Home buyer Program. This process takes approximately **45 days** to receive funding in order to close. Call for a list of participating lenders.

## What are the terms of the loan?

There will be no interest charged on the loan. The applicant must continue to own and live in the home purchased using First Time Home buyer Program funds for a period of six (6) years. At the end of the six (6) years, the loan for closing costs will be forgiven. Should the applicant move or sell the home before the end of the six (6) year period, the loan will become due and payable in full.

The loan for down payment assistance will become due and payable in full when the property is sold or no longer occupied by the borrower(s).

## What are the Eligibility Requirements?

- Open to anyone purchasing a home in a Burlington County participating municipality.
- Not have owned a home during the 3-year period before the purchase of a home using First Time Home Buyer Program funds, except that a displaced homemaker who owned a home with his/her spouse or a single parent who owned a home with his/her spouse will also be considered first time home buyers.
- Commit a minimum of 3% of the purchase price out of their own funds toward the down payment.
- Have no more than 20% of the purchase price in liquid assets. Any assets above the 20% limit must be applied toward the purchase price.
