

Senior Photo ID Cards

For Information or to schedule an appointment to receive a Senior Photo ID Card, please call 609-265-3788

With security so important today in order to travel in the United States as well as dealing with stores, banks and any other service providers, photo ID's are a necessary way of life everywhere we go.

The Sheriff's Department will provide a color photo ID card to seniors with proper identification, that may be used as a secondary means of photo ID in conjunction with a regular state or federal photo ID card. Additionally, important information such as "Emergency Contact", "Allergies & Illnesses", "Living Will" and "Organ Donor" information along with the cardholder's descriptive identifiers are contained on the back of this card.

Most commonly accepted primary photo ID cards are U.S. Passport, state driver's licenses, government employee & military ID cards.

If a senior does not have a New Jersey Driver's License, they may also obtain a New Jersey Non-Driver Identification Card at any NJ Motor Vehicle Commission office. Information on obtaining a Non-Driver ID Card may be obtained online by going to the following website:

In order to obtain a New Jersey Non-Driver ID Card, the applicant must provide 6 points of identification. This information is outlined by going online to:

Where to Obtain your Senior ID Card

Seniors may get their free ID cards in either of the following ways:

- **Sheriff's Department**, Community Services Unit, 49 Rancocas Road, County Administration Building, 2nd Floor, Room 223, Mount Holly, from 9am to 5pm *(by appointment)*. Please call 609-265-3788 to schedule an appointment.
- **County Corner at the Moorestown Mall** – Senior ID cards will be available the last Wednesday of each month, from 10:00am to 12:00pm. The County Corner is located along the Route 38 (front) of the mall, to the left side of Sears. Their telephone number is 856-642-3833. *(Please also note that Veteran ID Cards are made during this time period for honorably discharged veterans. DD214 is required along with Photo ID).*

Disclaimer: The Sheriff's Senior ID Card may not be accepted alone as a single form of ID. We recommend that in the absence of a primary form of photo identifications, that individuals carry additional ID information when traveling, such as:

- *Social Security Card
- *Birth Certificate or Naturalization Card
- *Proof of Address (ex. Utility bill showing name and address)
- *Bank Statement (showing individuals name & address)
- *Marriage Certificate (where last name change appears on ID)
