

**ATTENTION – CONTRACTORS, BUILDERS & HAULERS**

# **New, Low Recycling Rate for Drywall**

**ONLY  
\$39  
PER TON**

- Clean loads of unpainted drywall can be delivered to the Resource Recovery Complex for a reduced rate of \$39/ton.
- No colored dry wall (blueboard, greenboard, etc.)
- No loads with painted drywall or drywall from demolition sites will be accepted – that material must be landfilled.

Did you know approximately 12 percent of new construction drywall is wasted during installation?

**THAT IS ABOUT 1 TON OF DRYWALL PER NEW HOME**
