Our Promise...

As a single, powerful source of business support and resources, the Workforce Investment Board (WIB) is committed to helping our county businesses thrive.

- Interested in increasing your bottom line?
- Do you have a need for qualified, professional employees?
- Interested in learning about financial and tax incentives for hiring new workers?
- Are you looking to expand?

The Workforce Investment Board has simple solutions and can assist in the growth of your business. You may be surprised how much the public workforce system has to offer businesses, whether you are hiring new workers, are looking to diversify your workforce, opening new locations, or are experiencing downsizing and layoffs. The Workforce Investment Board is dedicated to understanding your needs and helping you to find the resources you need.

Business Solutions Team

The Workforce Investment Board created a Business Solutions Team whose mission is to identify and meet the business needs of Burlington County businesses.

The Business Solutions Team has developed a comprehensive strategy/process for collaborating with state and local economic development partners/agencies. Team members are made up of the key partner agencies and Private Sector professionals who identify and promote the available resources that encourage attraction, expansion, and retention of Burlington County business and industries.

The global economy has never been more dynamic and unpredictable, and business demands have never been greater. No two businesses are the same; each has unique needs and the potential to generate jobs and capital investment. These factors provide your Business Solutions Team the opportunity to customize solutions, solve your problems and create opportunity.
