2024 Major Discipline Summary Report

In accordance with AG Directive 2021-6 and the revised June 2021 Internal Affairs Policies & Procedures ("IAPP") requires agencies to publish information regarding officers who receive major discipline. Agencies are also required to submit this information to the Attorney General and to their County Prosecutor. The agency is required to identify all officers during the relevant time period who received major discipline, which is defined as termination, demotion, or suspension of more than five days.

The Burlington County Sheriff's Office had no Internal Affairs Complaints in 2024 that resulted in termination, reduction in rank or grade, and/or suspension for more than five days assessed to any agency member.
