## PUBLIC QUESTION TO BE VOTED UPON

### STATE QUESTION NO. 1

#### CONSTITUTIONAL AMENDMENT TO GIVE CERTAIN VETERANS' BENEFITS TO RESIDENTS OF CONTINUING CARE RETIREMENT COMMUNITIES

Do you approve amending the Constitution to allow eligible veterans to receive the value of the veterans' property tax deduction if they reside in a continuing care retirement community? The deduction shall be provided to a continuing care retirement community, which shall pass the value of the deduction on to the eligible veterans who live there.

#### INTERPRETIVE STATEMENT

This amendment would allow eligible veterans who live in continuing care retirement communities to receive the value of the \$250 property tax deduction currently granted to veterans who reside in a private residence. This amendment would give the veterans' property tax deduction to continuing care retirement communities on behalf of eligible veterans.

The total amount of the deduction given to a continuing care retirement community would be based on the number of eligible veterans who live there. The community would be required to pass the value of the deduction on to each eligible veteran.

Deductions would not be paid to continuing care retirement communities that are property tax-exempt. An eligible veteran who receives the value of a deduction through a continuing care retirement community cannot receive a veterans' property tax deduction on any other home he or she owns or in which a spouse lives.

Eligible veterans must be New Jersey residents. They must have served in the military in time of war, or other emergency. They must be honorably discharged.

**CONSTITUTIONAL AMENDMENT TO GIVE CERTAIN VETERANS' BENEFITS TO RESIDENTS OF CONTINUING CARE RETIREMENT COMMUNITIES**

Do you approve amending the Constitution to allow eligible veterans to receive the value of the veterans' property tax deduction if they reside in a continuing care retirement community? The deduction shall be provided to a continuing care retirement community, which shall pass the value of the deduction on to the eligible veterans who live there.

**INTERPRETIVE STATEMENT**

This amendment would allow eligible veterans who live in continuing care retirement communities to receive the value of the \$250 property tax deduction currently granted to veterans who reside in a private residence. This amendment would give the veterans' property tax deduction to continuing care retirement communities on behalf of eligible veterans.

The total amount of the deduction given to a continuing care retirement community would be based on the number of eligible veterans who live there. The community would be required to pass the value of the deduction on to each eligible veteran.

Deductions would not be paid to continuing care retirement communities that are property tax-exempt. An eligible veteran who receives the value of a deduction through a continuing care retirement community cannot receive a veterans' property tax deduction on any other home he or she owns or in which a spouse lives.

Eligible veterans must be New Jersey residents. They must have served in the military in time of war, or other emergency. They must be honorably discharged.

#### STATE QUESTION NO. 1

#### CONSTITUTIONAL AMENDMENT TO GIVE CERTAIN VETERANS' BENEFITS TO RESIDENTS OF CONTINUING CARE RETIREMENT COMMUNITIES

Do you approve amending the Constitution to allow eligible veterans to receive the value of the veterans' property tax deduction if they reside in a continuing care retirement community? The deduction shall be provided to a continuing care retirement community, which shall pass the value of the deduction on to the eligible veterans who live there.

#### INTERPRETIVE STATEMENT

This amendment would allow eligible veterans who live in continuing care retirement communities to receive the value of the \$250 property tax deduction currently granted to veterans who reside in a private residence. This amendment would give the veterans' property tax deduction to continuing care retirement communities on behalf of eligible veterans.

The total amount of the deduction given to a continuing care retirement community would be based on the number of eligible veterans who live there. The community would be required to pass the value of the deduction on to each eligible veteran.

Deductions would not be paid to continuing care retirement communities that are property tax-exempt. An eligible veteran who receives the value of a deduction through a continuing care retirement community cannot receive a veterans' property tax deduction on any other home he or she owns or in which a spouse lives.

Eligible veterans must be New Jersey residents. They must have served in the military in time of war, or other emergency. They must be honorably discharged.

## PUBLIC QUESTION TO BE VOTED UPON

### STATE QUESTION NO. 1

#### CONSTITUTIONAL AMENDMENT TO GIVE CERTAIN VETERANS' BENEFITS TO RESIDENTS OF CONTINUING CARE RETIREMENT COMMUNITIES

Do you approve amending the Constitution to allow eligible veterans to receive the value of the veterans' property tax deduction if they reside in a continuing care retirement community? The deduction shall be provided to a continuing care retirement community, which shall pass the value of the deduction on to the eligible veterans who live there.

#### INTERPRETIVE STATEMENT

This amendment would allow eligible veterans who live in continuing care retirement communities to receive the value of the \$250 property tax deduction currently granted to veterans who reside in a private residence. This amendment would give the veterans' property tax deduction to continuing care retirement communities on behalf of eligible veterans.

The total amount of the deduction given to a continuing care retirement community would be based on the number of eligible veterans who live there. The community would be required to pass the value of the deduction on to each eligible veteran.

Deductions would not be paid to continuing care retirement communities that are property tax-exempt. An eligible veteran who receives the value of a deduction through a continuing care retirement community cannot receive a veterans' property tax deduction on any other home he or she owns or in which a spouse lives.

Eligible veterans must be New Jersey residents. They must have served in the military in time of war, or other emergency. They must be honorably discharged.

**CONSTITUTIONAL AMENDMENT TO GIVE CERTAIN VETERANS' BENEFITS TO RESIDENTS OF CONTINUING CARE RETIREMENT COMMUNITIES**

Do you approve amending the Constitution to allow eligible veterans to receive the value of the veterans' property tax deduction if they reside in a continuing care retirement community? The deduction shall be provided to a continuing care retirement community, which shall pass the value of the deduction on to the eligible veterans who live there.

**INTERPRETIVE STATEMENT**

This amendment would allow eligible veterans who live in continuing care retirement communities to receive the value of the \$250 property tax deduction currently granted to veterans who reside in a private residence. This amendment would give the veterans' property tax deduction to continuing care retirement communities on behalf of eligible veterans.

The total amount of the deduction given to a continuing care retirement community would be based on the number of eligible veterans who live there. The community would be required to pass the value of the deduction on to each eligible veteran.

Deductions would not be paid to continuing care retirement communities that are property tax-exempt. An eligible veteran who receives the value of a deduction through a continuing care retirement community cannot receive a veterans' property tax deduction on any other home he or she owns or in which a spouse lives.

Eligible veterans must be New Jersey residents. They must have served in the military in time of war, or other emergency. They must be honorably discharged.

This referendum approval created Eastampton Township's Open Space Trust Fund. Through another binding referendum in 2009, the permitted uses of the Open Space Trust Fund were amended to now also include allowing the Open Space Trust Fund to be used for maintenance of open space and recreational improvements constructed in such areas within the Township.</p> <p>A "yes" response to the above question would permit the Township to continue dedicating a portion of the local tax levy to fund the Township of Eastampton's Open Space Trust Fund for another period of no more than twenty (20) years with the permitted uses of the Open Space Trust Fund remaining unchanged. A "no" response to the above question would terminate the dedication of the local tax levy to fund the Open Space Trust Fund. Funds currently in the Open Space Trust Fund would be permitted to be used for the Fund's purpose but no additional funds would be raised.</p>

## PUBLIC QUESTION TO BE VOTED UPON

### STATE QUESTION NO. 1

#### CONSTITUTIONAL AMENDMENT TO GIVE CERTAIN VETERANS' BENEFITS TO RESIDENTS OF CONTINUING CARE RETIREMENT COMMUNITIES

Do you approve amending the Constitution to allow eligible veterans to receive the value of the veterans' property tax deduction if they reside in a continuing care retirement community? The deduction shall be provided to a continuing care retirement community, which shall pass the value of the deduction on to the eligible veterans who live there.

#### INTERPRETIVE STATEMENT

This amendment would allow eligible veterans who live in continuing care retirement communities to receive the value of the \$250 property tax deduction currently granted to veterans who reside in a private residence. This amendment would give the veterans' property tax deduction to continuing care retirement communities on behalf of eligible veterans.

The total amount of the deduction given to a continuing care retirement community would be based on the number of eligible veterans who live there. The community would be required to pass the value of the deduction on to each eligible veteran.

Deductions would not be paid to continuing care retirement communities that are property tax-exempt. An eligible veteran who receives the value of a deduction through a continuing care retirement community cannot receive a veterans' property tax deduction on any other home he or she owns or in which a spouse lives.

Eligible veterans must be New Jersey residents. They must have served in the military in time of war, or other emergency. They must be honorably discharged.

## PUBLIC QUESTION TO BE VOTED UPON

### STATE QUESTION NO. 1

#### CONSTITUTIONAL AMENDMENT TO GIVE CERTAIN VETERANS' BENEFITS TO RESIDENTS OF CONTINUING CARE RETIREMENT COMMUNITIES

Do you approve amending the Constitution to allow eligible veterans to receive the value of the veterans' property tax deduction if they reside in a continuing care retirement community? The deduction shall be provided to a continuing care retirement community, which shall pass the value of the deduction on to the eligible veterans who live there.

#### INTERPRETIVE STATEMENT

This amendment would allow eligible veterans who live in continuing care retirement communities to receive the value of the \$250 property tax deduction currently granted to veterans who reside in a private residence. This amendment would give the veterans' property tax deduction to continuing care retirement communities on behalf of eligible veterans.

The total amount of the deduction given to a continuing care retirement community would be based on the number of eligible veterans who live there. The community would be required to pass the value of the deduction on to each eligible veteran.

Deductions would not be paid to continuing care retirement communities that are property tax-exempt. An eligible veteran who receives the value of a deduction through a continuing care retirement community cannot receive a veterans' property tax deduction on any other home he or she owns or in which a spouse lives.

Eligible veterans must be New Jersey residents. They must have served in the military in time of war, or other emergency. They must be honorably discharged.

Do you approve amending the Constitution to allow eligible veterans to receive the value of the veterans' property tax deduction if they reside in a continuing care retirement community? La deducción se proporcionará a una comunidad de retiro de cuidados prolongados, que a su vez trasladará el valor de la deducción a los veteranos elegibles que vivan allí. <b>DECLARACIÓN INTERPRETATIVA</b> Esta enmienda permitiría que los veteranos elegibles que vivan en comunidades de retiro de cuidados prolongados reciban el valor de la deducción del impuesto a la propiedad de \$250 que actualmente se concede a los veteranos que viven en una residencia privada. Esta enmienda daría la deducción del impuesto a la propiedad para veteranos a las comunidades de retiro de cuidados prolongados en nombre de los veteranos elegibles. El monto total de la deducción que se daría a una comunidad de retiro de cuidados prolongados se basaría en el número de veteranos elegibles que vivan allí. La comunidad tendría que trasladar el valor de la deducción a cada veterano elegible. Las deducciones no se pagarían a las comunidades de retiro de cuidados prolongados que estén exentas del pago del impuesto a la propiedad. El veterano elegible que reciba el valor de una deducción a través de una comunidad de cuidados prolongados no puede recibir la deducción del impuesto a la propiedad para veteranos sobre cualquier otro hogar del que el veterano sea dueño o en el que viva su cónyuge. Los veteranos elegibles deben ser residentes de New Jersey. Deben haberse desempeñado como militares en tiempo de guerra u otra emergencia. Deben haber sido dados de baja con honor.

**CONSTITUTIONAL AMENDMENT TO GIVE CERTAIN VETERANS' BENEFITS TO RESIDENTS OF CONTINUING CARE RETIREMENT COMMUNITIES**

Do you approve amending the Constitution to allow eligible veterans to receive the value of the veterans' property tax deduction if they reside in a continuing care retirement community? The deduction shall be provided to a continuing care retirement community, which shall pass the value of the deduction on to the eligible veterans who live there.

**INTERPRETIVE STATEMENT**

This amendment would allow eligible veterans who live in continuing care retirement communities to receive the value of the \$250 property tax deduction currently granted to veterans who reside in a private residence. This amendment would give the veterans' property tax deduction to continuing care retirement communities on behalf of eligible veterans.

The total amount of the deduction given to a continuing care retirement community would be based on the number of eligible veterans who live there. The community would be required to pass the value of the deduction on to each eligible veteran.

Deductions would not be paid to continuing care retirement communities that are property tax-exempt. An eligible veteran who receives the value of a deduction through a continuing care retirement community cannot receive a veterans' property tax deduction on any other home he or she owns or in which a spouse lives.

Eligible veterans must be New Jersey residents. They must have served in the military in time of war, or other emergency. They must be honorably discharged.

## PUBLIC QUESTION TO BE VOTED UPON

### STATE QUESTION NO. 1

#### CONSTITUTIONAL AMENDMENT TO GIVE CERTAIN VETERANS' BENEFITS TO RESIDENTS OF CONTINUING CARE RETIREMENT COMMUNITIES

Do you approve amending the Constitution to allow eligible veterans to receive the value of the veterans' property tax deduction if they reside in a continuing care retirement community? The deduction shall be provided to a continuing care retirement community, which shall pass the value of the deduction on to the eligible veterans who live there.

#### INTERPRETIVE STATEMENT

This amendment would allow eligible veterans who live in continuing care retirement communities to receive the value of the \$250 property tax deduction currently granted to veterans who reside in a private residence. This amendment would give the veterans' property tax deduction to continuing care retirement communities on behalf of eligible veterans.

The total amount of the deduction given to a continuing care retirement community would be based on the number of eligible veterans who live there. The community would be required to pass the value of the deduction on to each eligible veteran.

Deductions would not be paid to continuing care retirement communities that are property tax-exempt. An eligible veteran who receives the value of a deduction through a continuing care retirement community cannot receive a veterans' property tax deduction on any other home he or she owns or in which a spouse lives.

Eligible veterans must be New Jersey residents. They must have served in the military in time of war, or other emergency. They must be honorably discharged.

**PUBLIC QUESTION TO BE VOTED UPON**

**STATE QUESTION NO. 1**

**CONSTITUTIONAL AMENDMENT TO GIVE CERTAIN VETERANS' BENEFITS TO RESIDENTS OF CONTINUING CARE RETIREMENT COMMUNITIES**

Do you approve amending the Constitution to allow eligible veterans to receive the value of the veterans' property tax deduction if they reside in a continuing care retirement community? The deduction shall be provided to a continuing care retirement community, which shall pass the value of the deduction on to the eligible veterans who live there.

**INTERPRETIVE STATEMENT**

This amendment would allow eligible veterans who live in continuing care retirement communities to receive the value of the \$250 property tax deduction currently granted to veterans who reside in a private residence. This amendment would give the veterans' property tax deduction to continuing care retirement communities on behalf of eligible veterans.

The total amount of the deduction given to a continuing care retirement community would be based on the number of eligible veterans who live there. The community would be required to pass the value of the deduction on to each eligible veteran.

Deductions would not be paid to continuing care retirement communities that are property tax-exempt. An eligible veteran who receives the value of a deduction through a continuing care retirement community cannot receive a veterans' property tax deduction on any other home he or she owns or in which a spouse lives.

Eligible veterans must be New Jersey residents. They must have served in the military in time of war, or other emergency. They must be honorably discharged.
