household trash, wood,
tires, drywall, hazardous
waste and asphalt shingles.*

RESOURCE RECOVERY COMPLEX

The Burlington County Resource Recovery Complex hosts a state-of-the-art landfill and facilities for recycling bulky materials and hazardous waste.

RESOURCE RECOVERY COMPLEX HOURS

OPEN:

Monday to Friday – 7am-5pm
Saturday – 7am-Noon

CLOSED ON:

- Sundays
- Memorial Day
- Labor Day
- Christmas Day
- New Year's Day
- Independence Day
- Thanksgiving Day

PAYMENT OPTIONS

- Cash
- Business Checks
- Credit Card (*Visa, MasterCard & Discover*)
- **NO PERSONAL CHECKS**

THE FOLLOWING ITEMS CANNOT BE LANDFILLED:

- Bulk liquids
- Septic tank clean-out waste
- Radioactive waste
- Regulated medical waste
- Designated recyclables, including cardboard, **computers**, fluorescent lights, leaves, metal appliances, textiles, tires and **TVs**
- Leaves

Notice:

All commercial vehicles hauling waste to the Complex for disposal must have a NJDEP vehicle registration. Additionally, any truck with a gross weight of 8,000 lbs. or more as noted on the vehicle registration, must also have a NJDEP registration. For registration info, call the NJDEP at (609) 292- 7081 (menu option 1, then 5).

RESOURCE RECOVERY COMPLEX FACILITIES

Scalehouse – Before entering the Complex, everyone must report to the scalehouse where you will be directed to:

Convenience Center – For small truck or car loads of waste to be manually unloaded into marked containers.

Computer/Television Dropoff – Feb. 1, 2016 Program Change

– Due to a national problem with electronic waste recycling, the Resource Recovery Complex will no longer take electronic waste from any schools, businesses, non-profits or local governments. Burlington County residents will be limited to no more than two TVs and/or computer monitors. There will be a charge of \$20 for more than two of these items. Residents still may bring in computer towers and laptops at no charge.

Other Recycling Options – Check your municipality to see if they have a local ewaste dropoff or visit Goodwill donation centers, which as of Feb. 1, 2016, were accepting non-working TVs and monitors for recycling.

Bulky Materials Area for segregated loads of

- Scrap metal (white goods)
- Wood waste
- Asphalt shingles & tarpaper
- Tires

Drywall (sheetrock)–Must be clean, dry, unpainted drywall from new construction.

HOUSEHOLD HAZARDOUS WASTE FACILITY (HHWF)

For residential hazardous waste such as paint, solvents, pesticides, weed killers, pool and photo chemicals, fluorescent lights, ballasts and small fire extinguishers.

HHWF HOURS

OPEN:

Tuesday to Friday – 7am-3pm
Saturday – 7am-Noon

Proof of county residency required

CLOSED ON MONDAYS

If a holiday falls on Monday, the facility will be closed on Tuesday.

Batteries – Rechargeable, lead acid, button, lithium batteries, *especially laptop batteries, should never be put in trash or recycling; they can cause fires.* Recycle at most stores that sell them or bring to HHWF. Today's alkaline batteries are not hazardous and may be safely placed in the trash.

Compact Fluorescent Bulbs (CFLs) – CFLs contain mercury; bring unbroken bulbs to the HHWF for safe disposal.

The Home Depot and Lowes accept CFLs for recycling. They do not accept the long tube types of fluorescent lights. Take tube lights to the Household Hazardous Waste Facility for safe disposal or for info. on broken CFLs visit:

www.epa.gov/cfl/cflcleanup
